MOTIVATION

Recover a book that remembers its readers.

REVERSE / SPELL

Lantern of the Lost

DESCRIPTION

A warm mote traces the safest visible route through fog. It pauses at hidden drops and unstable ground.

AT HIGHER LEVELS

Guide one additional traveler for each extra level.

REVERSE / MONSTER

Glassfen Warden

TRAITS

Hollow chassis. When the warden stands still in reeds, it resembles a weathered marker.

ACTIONS

Sweep. One target near the causeway must step back or drop an item.

Reed flare. The warden casts pale light over the nearest flooded path.

TACTICS

It blocks the bridge and signals before pursuing.

DM NOTES

Show a clear escape route. If offered a copper bell, it pauses to listen.

REVERSE / SPELL

Knot of Dawn

DESCRIPTION

Tie a ribbon around a gate. It shines when a traveler approaches.

REVERSE / PLOT POINT

The Bell Below

TRIGGER

The submerged bell rings at low tide.
